Dear Participating Employer Group:

The Egyptian Trust custom website WILL BE AVAILABLE ON JUNE 1, 2017 for members to register and active online prescription drug benefits information. To register you will go to the following link on or after JUNE 1, 2017. Members will only need their member ID printed on their ID card to register.

www.express-scripts.com/welcome

Today, members may go to the following link to the Open Enrollment website: express-scripts.com/EgyptianTrust to price medications before 6/1/17. Members do not need to register to price drugs, etc.

On the OE website, the member can click on "go" in Open Enrollment Information; then choose the plan the member is enrolled in. The member will then see all of the resources available:

Please note: Open refills will not be transferred to Express Scripts until 6/1; they will take a few days to be processed and loaded into the Express Scripts system.

Thank you.
